Award-winning watercolorist, **Fealing Lin** of San Marino, California, was born in Taiwan and began her journey into artistic expression as a protégé of renowned professor Ching-Jung Chen in Taiwan, subsequently pursuing her career in the United States with watercolorist and senior art historian professor Verna Wells.

With a fluidity of colors, Ms. Lin combines impressionistic strokes and semi-abstract techniques to elicit life and movement in her portrait and landscape watercolors. Her paintings adorn the paper with both harmony and emotion.

"My passion for watercolor," says Ms. Lin, "comes from the opportunity it gives me to be totally spontaneous in the pursuit of traditional watercolor transparency which is the "glow" from the white paper that emerges through the paint once a fusion occurs from the application of wet onto wet.

Fealing was an annual guest instructor at Yosemite National Park for more than ten years, an instructor at Brand Art Studios at Brand Library in Glendale, and San Gabriel Recreation center in San Gabriel. She was featured at Descanso Gardens Gallery for 10 consecutive years. She has taught watercolor workshops throughout California and the US. Fealing has been enthusiastically embraced by the general public and private collectors alike.

Fealing is a signature member of National Watercolor Society, Transparent Watercolor Society of America, Watercolor West, San Diego Watercolor Society and the Missouri Watercolor Society. Her works have been juried in many national exhibitions including NWS, WW, TWSA (Transparent Watercolor Society of America), Brand National, Audubon Artist, San Diego Watercolor International and many others. She has won numerous awards among these shows.

Ruth Andrews-Vreeland began drawing at an early age and painting in oils at the age of ten, at her childhood home in Fresno, California. She has won numerous fine art and design awards throughout her life and was highly influenced by the west coast artists of Carmel, CA as a teen, taking instruction from some of them in oils and watercolor. An art major in college, Ruth had a lengthy successful career as a graphic

designer in her adopted state of NM where she has lived for 38 years. She has painted since childhood, concentrating on oils for many years, but almost completely transitioning over to watercolor, finding it to be an exciting, fast medium in which to work. She is now a frequent top-award winner and Signature Member of the NM Watercolor Society and a Signature Member of the Western Federation of Watercolor Societies. Her work can be found in collections throughout the United States.
